NOTICE

Payson City has completed the application requirements for obtaining a solid waste permit for its existing municipal Class V landfill located approximately 2.5 miles west of Payson City. The permit application has been reviewed by the Division of Solid and Hazardous Waste and a draft permit has been issued. Class V landfills are commercial landfills that are permitted to receive municipal solid waste, construction/demolition waste, yard waste, and other nonhazardous solid waste not otherwise limited by rule or permit. The public comment period on the draft permit begins October 29 and will end November 28, 2003.

Copies of the application documents and the draft permit are available for public review during the comment period during normal business hours at the following location:

Division of Solid and Hazardous Waste
Utah Department of Environmental Quality
288 North 1460 West, 4th Floor
Salt Lake City, Utah

Copies of the draft permit also are available at the Utah County Health Department office in Provo at 589 South State Street.

They also can be viewed on the Internet at <http://www.hazardouswaste.utah.gov/hpc-1.htm>.

Written comments will be accepted if received by 5:00 PM on November 28, 2003 and should be submitted to:

Dennis R. Downs, Executive Secretary
Utah Solid and Hazardous Waste Control Board
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: swpublic@utah.gov. Comments sent in electronic format should be identified by putting the following in the subject line: public comment on Payson City Class V Landfill. All documents included in comments should be submitted as ASCII (text) files.

For further information contact Ralph Bohn or Phil Burns of the Division of Solid and Hazardous Waste at (801) 538-6170 or TDD 536-4414.
